- 11-Aug-2023 On August 10, 2023, Petitioner Moore filed a "Petition for Review of Summary Dismissal of Post-Conviction Relief in Death Penalty Case" including a Certificate of Compliance that indicates the Petition contains 51,072 words.  
  
In conjunction with his petition for review, Petitioner filed a "Motion to Exceed Word Count" requesting that the Court allow the 51,072-word petition for review.  
  
Pursuant to Arizona Rules of Criminal Procedure, 31.6(e) the caption of a motion for procedural order must include the words, "Motion for Procedural Order." This Court notes that the motion does not comply with this requirement. Nonetheless, the motion is accepted as filed. Upon consideration,  
  
IT IS ORDERED that Petitioner's Motion to Exceed Word Count is denied in part and granted in part.  
  
IT IS FURTHER ORDERED that Petitioner's Petition for Review of Summary Dismissal of Post-Conviction Relief in Death Penalty Case filed August 10, 2023, is stricken.  
  
IT IS FURTHER ORDERED that on or before September 12, 2023, Petitioner shall file a petition for review that shall not exceed 20,000 words, and shall otherwise comply with Ariz. R. Crim. P. 32.16(c)(1) and (c)(2). No extensions of this due date shall be granted absent extraordinary circumstances. (Kathryn H. King)

This matter is subject to dismissal if the petition for review is not filed by September 22, 2023. (Tracie K. Lindeman Clerk)

**Arizona Supreme Court****Criminal Post Conviction****CR-23-0199-PC****STATE OF ARIZONA v JULIUS JARREAU MOORE****93 PROCEEDING ENTRIES**

7. 22-Sep-2023 A "2nd Motion for Procedural Order to Briefly Extend Time Due to Extraordinary Cause Based on Blindness of Defendant Julius Jarreau Moore and Additional Time Needed to Complete Reading of Changes in Brief and Fully Discuss to Assure Sixth Amendment Right to Counsel in Death Penalty Case" (Petitioner Moore) having been filed on September 21, 2023,
- IT IS ORDERED granting a second extension of time to file the petition for review on or before September 29, 2023. No further extensions of time shall be granted absent extraordinary circumstances. This matter is subject to dismissal if the petition for review is not filed by September 29, 2023. (Tracie K. Lindeman Clerk)
8. 29-Sep-2023 FILED: (Third) Additional Motion for Procedural Order to Briefly Extend Time to File Petition for Review Through Next Friday, 10/6/23 Due to Extraordinary Cause Based on ADA Disability of Defendant Julius Jarreau Moore Previously Referenced Requiring Much Longer Time to Read/Review Changes in Brief and Fully Discuss to Assure Sixth Amendment Right to Counsel in Death Penalty Post Conviction Case; Certificate of Service (Petitioner Moore)
9. 2-Oct-2023 Petitioner Moore has filed a third Motion for Procedural Order to Briefly Extend Time to File Petition for Review. After Petitioner had submitted a Petition for Review containing 51,072 words, on August 11, 2023, this Court ordered that on or before September 12, 2023, Petitioner was allowed to file a Petition for Review not exceeding 20,000 words, and shall otherwise comply with Ariz. R. Crim. P. 32.16(c)(1) and (c)(2). Petitioner requested extensions of ten days and seven days, which this Court granted.
- Petitioner's third motion for extension of time, like his prior requests, states that more time is needed for counsel to read, review and discuss the amended petition for review with Petitioner Moore. The motion further states that counsel and Petitioner have "completed reading/review of 55.3% of the new draft of his Petition for Review." The State has previously objected to further extensions of time in this matter. The motion requests an extension to October 6, 2023.
- IT IS ORDERED granting an extension of time to and including October 6, 2023, to file the Petition for Review. Counsel is admonished that repeated motions for extensions of time are disfavored, and that counsel is responsible for accurately calculating the additional time necessary to complete the pleading. Therefore, any additional motions for extension of time are unlikely to be granted. (Hon. Clint Bolick)

**Arizona Supreme Court**  
**Criminal Post Conviction**

**CR-23-0199-PC**

**STATE OF ARIZONA v JULIUS JARREAU MOORE**

**93 PROCEEDING ENTRIES**

91. 27-Mar-2024 Pending before the Court is Moore's second request for a 30-day extension to file a reply brief, filed by counsel on March 25, 2024, in which Moore requests additional time due to the voluminous nature of the case and to allow counsel to meet with Moore in early April, the earliest availability, to review the State's response and the proposed reply. Counsel further avows that the State has not yet responded to the request for an extension.
- Also pending is "Petitioner Julius Jarreau Moore's Notice to the Court Regarding the Ongoing and Prejudicial Conflict of Interest with Mr. Coppen," filed by Moore pro se on March 26, 2024. In the notice, Moore requests that the Court appoint new counsel due to disagreement over the claims that have thus been raised in this matter, as well as counsel's delay in reviewing the State's response and the proposed reply with him. Moore further requests that the Court grant a 60-day extension to accommodate the appointment of new counsel and his need to review the response.
- Moore, however, is not entitled to counsel in this discretionary review proceeding. *State v. Smith*, 184 Ariz. 456, 459 (1996) ("Our constitution does not require, and the rules do not extend, the right to appointed counsel for indigent defendants in Rule 32 proceedings beyond the trial court's mandatory consideration and disposition of the PCR."); accord *Ross v. Moffitt*, 417 U.S. 600, 617-19 (1974).
- Moreover, the Court notes that any new counsel in this appellate proceeding is likely to encounter the same strategy conflict Moore is alleging, as the claims Moore wants new counsel to raise, which fall within counsel's responsibility, are subject to waiver. See *State v. LaGrand*, 152 Ariz. 483, 486 (1987) ("whether new counsel would be confronted with the same conflict" relevant to whether new counsel should be appointed); *State v. Lopez*, 217 Ariz. 433, 438 ¶ 17 n.4 (App. 2008) ("Generally, issues raised for the first time in a reply brief are waived."); cf. *State v. Herrera*, 183 Ariz. 642, 647 (App. 1995) ("appellate counsel is responsible for evaluating the trial record and for determining the most promising issues to present").
- It also appears that communication is still occurring, and counsel has avowed that a meeting to review the response and reply is set to soon take place, which addresses the other concern identified in Moore's notice and supports a brief, further extension in this voluminous capital matter. Based on the foregoing,
- IT IS ORDERED denying Moore's March 26, 2024 pro se request for new counsel and a 60-day extension.
- IT IS FURTHER ORDERED granting Moore's March 25, 2024 second request for a 30-day extension to file a reply brief. The reply is due no later than April 26, 2024, and no further extensions of time shall be granted absent extraordinary circumstances. (Hon. Ann A. Scott Timmer)

93. 29-Apr-2024 On April 24, 2024, Petitioner Moore filed "Defendant's 3rd Motion for Procedural Order to Extend Time to File Reply Brief." Upon consideration,
- IT IS ORDERED granting a third extension of time to file the reply brief on or before May 28, 2024. No further extensions of time shall be granted absent extraordinary circumstances. (Hon. Kathryn H. King)
