Impact to the victim(s)

(Please give any information with regards to how this incident has impacted you personally)

My husband Timothy Romans provided for me and my girls financially, he was ALWAYS there emotionally. He took care of us. Made sure he provided for us the many things one needs in life to survive. (Bills paid, food, house hold needs,)

Although it is the responsibility of the court to impose the final disposition, your feelings are important. What would you like to see as the outcome in this case?

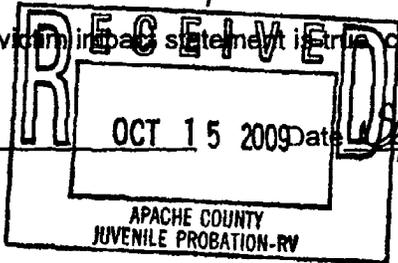

PROBATION WITH JAIL SENTENCE PROBATION ONLY DEPARTMENT OF JUVENILE CORRECTIONS NO PREFERENCE

The person in question needs help. I don't think he's getting any help with his parent- he needs help. He needs to be in a facility where he could get the help.

OTHER COMMENTS: We need to see some type of JUSTICE to see closure of the death of my husband Timothy Francis Romans!

I certify that all information detailed in this victim impact statement is true, complete and correct to the best of my knowledge.
