SUE HALL, CLERK
APACHE COUNTY SUPERIOR COURT

**IN THE JUVENILE COURT,
STATE OF ARIZONA, APACHE COUNTY**

IN THE MATTER OF:

CASE NO. JV 2008-065
**REQUEST FOR EVALAUTIONS
AND REPORTS AND ORDER**

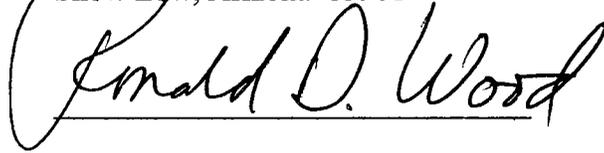

**CHRISTIAN RYAN ROMERO,
A person under 18**

The Juvenile, through Counsel and pursuant to Rule 16(b)(3) of the Rules of Procedure in Juvenile Court, moves the Court to order all progress and treatment reports written by Dr. Alan Lewis, a member of the YDI staff. These reports detail the Juvenile's progress in treatment at the hand of Dr. Lewis, and are not available to the Juvenile from any other source. Dr. Lewis has been the Juvenile's treating clinical psychologist for some time, and his reports have been left out of the pre-sentence report. His comments, suggestions and reports are perhaps the most relevant information that court could receive regarding Disposition.

Further, the Juvenile would request that The Court order YDI to produce for the Juvenile's use, all treatment records prepared by YDI or its staff since the time of the filing of the petition to revoke. These have not been provided to counsel for the Juvenile and are relevant to disposition, and like Dr. Lewis' reports, these reports will enlighten the Court regarding Mr. Romero's treatment and progress at YDI.
