Subject: New Rules "Verde Ditch Company"

Your Honor,

I can only guess the Intent of line four (4) and five (5) on page six (6). If the Intent is to keep down Congestion a motion; a second, and a vote takes care of a lot of business fast.

Also I'am not sure how you get 51% approvable from the shareholders.

Line 8,9,and 10 on page six (6) is the one that gave us the most problems during the election two (2) years ago. Trying to assemble 51% of 488 people is very expensive and almost impossible.

If for some reason We Can No Longer enjoy your hands on involvement it could be another 15 years without any offical business.

Sincerely,

John Watford
