CONTINUED ORDER TO SHOW CAUSE		Denae Hovland

**APPEARANCES:** Gregory Blue, Petitioner  
Richard Mabery, Counsel for Respondent

Counsel for Respondent advises that Petitioner has made proposals to the commissioners which they have considered and which are being reviewed by an engineer. Counsel advises it is anticipated that the preliminary engineering information will be received next week.

Counsel for Respondent requests that the hearing not continue today but that the Court still view the site. The request is discussed. The Court notes it has no problem with continuing the hearing in the courtroom and to not set a hearing unless the settlement falls through. The Court notes that it is also willing to look at the site today.

Exhibits are discussed.
