ANNUAL SHAREHOLDER
MEETING
OCTOBER 18, 2012
6:00PM
MINUTES

Meeting was called to order 6:05pm

Commissioners present: Al Dupuy, Vern Hilbers, Dave Myers, Jeff Cochrane

Minutes of the last meeting were read, Dave Myers made a motion to accept and Jeff seconded.

Ronda presented the Profit & Loss Statements for the general account and the special assessment account. She went over the expenses and explained a few things. Shareholders asked questions, most questions were directed at the legal fees and why were they so high. Several shareholders were quite verbal about their feelings about the special assessment. They feel why do we need to keep it going if there is a bank balance of $69,000.00. We tried to explain the expenses that could occur and we would need the money in reserve. They want it reduced or extended or gone completely. The commissioners agreed to get together and discuss what to do about the special assessment before it is due again October 2013.

Vern gave his report on the condition of the ditch. He explained some of the problems we had over the summer. Vern explained how the ditch is silted up in a lot of areas towards the end of the ditch.

Al went over the winter maintenance list and explained that one of the expenses is an excavator to dig out the ditch, he is going to check out several different options, renting one or using a local contractor or possibly purchasing one. Shareholders asked questions and the commissioners answered. We will shut off the ditch Dec 1 and hopefully restart it March 1.

A shareholder told us about a tree down in Ft Lincoln. A shareholder suggested that if we have a commissioner that is sick and can’t help out we should look for another commissioner. We explained there is a lot of knowledge with the commissioners that have been on the ditch a long time and you don’t just dismiss that fact.

Al explained the increase in the annual fees. Starting January 1, 2013 the fees will increase from $85.00 to $105.00 per acre with a min of $105.00 just like explained in the Rules and Regs. No response from the shareholders, complete silence.

Al turned the meeting over to Rebecca and Lucas with SRP they had maps and history of water rights and Az history of water. They opened for shareholders to ask questions. There was a short question and answer session.

Meeting adjourned at 8:00pm
