No. P1300CV4772

Division 1

**MOTION TO PROCEED WITH A  
FEASIBILITY STUDY OF THE  
AVAILABILITY OF HISTORIC  
WATER USE RIGHTS FOR  
SEVERANCE AND TRANSFER.**

Motion:

I would like to submit a motion to start a feasibility study of the Historic Water Use rights available for Severance from the "Purple and Green Lands" and Transfer to the "Orange Lands" as the SRP drawn map shows in the MOU. This study should be completed before any additional discussions of this Memorandum of Understanding is commenced.

It appears in a small preliminary study by Peter Mollick, there are very few landowners with Historic Water Use rights that are willing to transfer or sell those rights to the "Orange Lands" owners.

In the event there are sufficient Historic Water Use rights available for Severance and Transfer to the "Orange Lands", it is still undetermined if a financial deal can be made between two willing participants.

RESPECTFULLY SUBMITTED this 13 day of July 2015.

PETER J. MOLLICK
