_____)

The Defendant, by and through Counsel undersigned hereby Objects to the state's Motion to Release Victim Remains.

The remains have an important and exculpatory evidentiary value for the Defense. Thus, the ability of the jury to see the actual remains, versus 2-dimensional pictures is vital to the defense. The Defendant would be prejudiced if the remains were not part of the trial.

RESPECTFULLY SUBMITTED this November 30, 2018

Craig Williams
Attorney at Law
