Farry's death was a real horror + shock. We were very close and we spoke weekly on the phone for years. Farry made it possible for me to move from Calif. to Hawaii. He stored all my possessions for 10 ⁽⁸⁶⁻⁹⁶⁾ years at his home until I could move or ship them over to my new home in the Islands. Farry was 3 yrs younger than I and he should never had died in such a horrific manner.

There are more than several places in our Holy Bible that say "murders shall be put to death". This was an evil godless deed executed by Anthony.

My sister Joan + I both knew Anthony was the one guilty after the shock + terror in our hearts + minds; wondering for a decade of where Farry's body could be. That was as evil as it gets.

There is not a day that goes by that we don't remember

Jarvis and his own special uniqueness like no other that had lived on this earth.

We Pray he is happy in HEAVEN and to see him again. May justice be served.

Sincerely,

Laura Hunter
