NOTICE OF EXHIBIT DEADLINE

You are hereby notified that exhibits must be received by the Clerk no later than 5:00 p.m. on the deadline indicated in the attached minute entry/order. Failure to comply with the Court ordered deadline will result in the Clerk advising the Court of the submitting party's non-compliance. Sanctions may be imposed, up to and including preclusion of the exhibits. **In the event no deadline has been set, exhibits shall be submitted to the Clerk no later than 5 working days prior to any hearing at which exhibits are to be presented.**

Exhibits shall be submitted to the Clerk's office along with a formal list of exhibits. The list shall include a brief description of each exhibit and the following criteria shall be met:

- Unless otherwise ordered by the Judge, the Clerk no longer accepts items other than **paper (8.5"x11")**, **audio** or **video** for the purpose of marking. **Photographs will be accepted and marked by the Clerk for any other items.**
- In the event the Judge allows larger or unwieldy items, such as large poster boards, drugs, weapons or cash, they will be accepted by the Clerk on the day of the hearing; however, **a photograph of the item shall also be submitted to be marked along with the item.** The Clerk will be requesting release of the unwieldy items at the end of the hearing but will retain the photograph for purpose of appeal.
- Exhibits will be marked consecutively, *as they are received*. If your list refers to an exhibit and that exhibit is not provided at the time of marking, the Clerk will not reserve that number and the numbers of all subsequent exhibits will be marked with the next sequential numbers. Any additional exhibits will be marked at the time they are received. In addition, it is essential that counsel confer in an effort to avoid submitting duplicate exhibits.
- Each multiple page exhibit must be **securely fastened together by staple** or other means. Paper clips, binder clips, or rubber bands **will not** be accepted. Any Acco fasteners used must be long enough to fasten securely. You may also provide an *optional* single slip of colored paper with the exhibit number on it, which will serve as an exhibit divider.
