2 PROCEEDING ENTRIES

- 1. 20-Jun-2024 Petition for a Writ of Mandamus (Treated as a Petition for Special Action) (Petitioner Winters, Pro Se)
2. 28-Jun-2024 On June 20, 2024, Petitioner Winters filed a pro se "Petition for a Writ of Mandamus," that the Court is treating as a Petition for Special Action.

Special Action rule 7(b) requires a petitioner to "set forth the circumstances which in the opinion of the petitioner render it proper that the petition should be brought in the particular appellate court to which it is presented. If the appellate court finds such circumstances insufficient, the court will on that ground dismiss the petition."

Petitioner provides no compelling reason as to why this matter could not be initiated in a lower court. See Spec. Act. R.P. 4(b) and 7(b). Therefore,

IT IS ORDERED dismissing the petition without prejudice to bringing a proper proceeding in a lower court. (Hon. James P. Beene)
