YAVAPAI COUNTY
SUPERIOR COURT

HEALTH & SAFETY
SCREENING
GUIDELINES

Effective June 1, 2020 the Yavapai County Superior Court will be practicing health and safety measures for those persons coming into the courthouses. Please note the following procedures that court staff will be following until further notice.

- All persons coming into the Superior Court facilities will be required to wear a mask at all times unless directed otherwise.

- ◇ **Please bring your own mask.** If you do not bring a mask, one will be provided for you.

- ◇ If you refuse to wear a mask, you will be denied entry into the courthouse.

- You will be asked the following three questions prior to entering through the magnetometer:

- ◇ *Have you tested positive for COVID-19 in the past 10 days or are you currently waiting for test results?*

- ◇ *Have you had contact with someone who has tested positive for the COVID-19 virus in the last 14 days?*

- ◇ *Have you experienced any symptoms of COVID-19 in the last 10 days?*

** If you answer "yes" to any of these questions, you may be denied entry into the courthouse until cessation of symptoms, diagnosis other than COVID-19 explains a symptom, or negative COVID-19 test results no longer indicate COVID-19 infection under the CDC guidelines. You may request an exception by completing a form and submitting it to Court Administration for consideration.*

- Court Security and/or other court staff will be checking your temperature upon entry.

- ◇ Your temperature will be scanned by an infrared digital thermometer. It will be placed approximately two to five centimeters away from your forehead.

- ◇ If your temperature reads 100.4° F or higher, you will be denied entry into the courthouse and directed to contact the Division or department in which you had business by telephone or alternate means. *Upon request, you may re-test once after 15 minutes.*

- ◇ Court Security Officers will be equipped with masks and gloves while conducting temperature checks and screening equipment will be frequently sanitized for everyone's protection.

Some activities can raise your body temperature. Heavy exercise and/or caffeine intake can raise your body temperature. Ensure these activities are limited prior to coming to the courthouse.

SYMPTOMS OF COVID-19

Shortness of breath or difficulty breathing, cough, sore throat, muscle pain or body aches, body temperature of 100.4°F or higher, new loss of taste or smell, fatigue, headache, congestion or runny nose, nausea or vomiting, diarrhea

Some medical conditions can affect temperatures. If you are willing, please discuss with us if you feel a separate condition exists that may cause an elevated reading.
